

## Port Hope Ladies League Playbook 2020

There has been a great deal of uncertainty in our lives caused by the ongoing presence of Covid-19. Fortunately, golf is one of the few group sports that has been permitted and Port Hope Ladies League members are very grateful that they have been allowed to enjoy golf this season. That said, the PHLL is operating under many rules and restrictions that have required us to suspend the fun events and highly social behaviour that is a hallmark of our Tuesday Ladies League. For this reason, the PHLL Committee has decided to not accept any new players in 2020. If you are interested in being put on the waiting list to be considered for 2021, please contact Trish Doney [phllmembership@gmail.com](mailto:phllmembership@gmail.com)
